

evercare[®] Round cap Rondo Standard

REF: 2740-02, 2742-02, 2750-02, 2752-02, 2760-02, 2762-02

evercare[®] Headwears are designed to help prevent foreign particles such as hair or skin scales falling from medical personnel into the wound during surgical interventions. evercare[®] round cap Rondo Standard is made of a new light weight SMS material that provides high protection against particles from the scalp of the wearer as well as good fluid protection. The lower use of polypropylene material means a reduced environmental impact. Rondo is an economical range of headwear covering all basic needs. Rondo is also worn by medical personnel and patients in other environments for hygiene reasons. Available in different colors and sizes.
