

# SANDEL® TRIP-NO-MORE™

FLUID & TRIP MANAGEMENT

## Bright orange cord cover designed to reduce trips and falls

The Trip-No-More™ cord cover offers a simple, cost-effective solution to reduce trips and falls in the O.R. Trip-No-More serves as a beacon so healthcare personnel can see where cords and tubes are located and avoid tripping over them.

Adhesive strips hold the product firmly in place but avoid leaving residue on O.R. floors.

Trip-No-More is now available in a 10" width and a 12" width\* to cover greater numbers of cords and larger-diameter cords and tubes.

### KEY FEATURES AND BENEFITS

- Available in 8", 10" and 12" widths\*
- Available on cut-to-size rolls or as pre-cut pieces
- Easy to apply and remove
- Leaves no residue
- Disposable to prevent cross-contamination
- Cost effective
- Bright orange and highly recognizable
- Glow in the dark option available\*

\*10" and 12" widths, 12" roll and Glow in the dark options currently available in North America only.
