The added value of Cleansing Wipes

Swash® Cleansing Wipes are a more affordable product for a first cleaning after an incontinence episode, before using **Swash® Perineum** or **Swash® Perineum+**.

What is special about the Swash® Cleansing Wipes?

- **Ingredients:** Glycerine and Jojoba. The combination of these two ingredients has been proven by several researches over the years to be beneficial for skin hydration.
- **Bigger package,** 48 wipes, which can be used within 1 month after opening.
- **New hypoallergenic fragrance** with a cool, fresh smell, resulted from combining aloe vera and cucumber.
- **Larger wipe cloth** (30 x 20 cm) practical for a thorough cleansing.
