Dispenser for cups

INFORMATION

Transparent dispenser for wide and narrow medicine cups.

Organize your medicine cups with a dispenser that can be mounted on a wall or on a medicine trolley. Removable cap on the top of the dispenser allows for convenient loading and keeps dust and dirt away.

Transparent allows an inventory check at a glance. The CE marked dispenser is delivered with two screws for easy mounting.

Made in PMMA.

Wide, 300400, holds 50 units,

Narrow, 300450, holds 80 units.
