## Warnings & Recommendations

### Warnings

The use of this product is restricted to a qualified doctor or nurse.  
Read the instructions before use. The device should be used in accordance with the instructions.  
The device is guaranteed sterile and pyrogen-free if the individual package has not been opened or damaged. Do not use if package is damaged or if protective caps are loose or missing.  
Do not over-tighten a luer beyond the friction fit as this may damage both the luer and another connecting device.  
Do not use any instruments for clamping the tubing or luer tightening.  
Re-use may lead to infection or other illness/injury.  
Do not leave open ports/hubs exposed. Replace sterile end caps, as necessary.

### Storage Recommendation

Recommended storage in clean, dry space between 15 - 25 °C. Products should be protected from direct sunlight, other intensive light sources and ozone.

### Disposal Recommendation

Dispose in accordance with local regulations.

### Shelf Life

5 years
