

Vacuum packed SELEFA® Shoe covers

Benefits of the new packaging:

- ▶ **Reduced overall package volume**
Lower inventory space requirements.
- ▶ **Consumer convenience packaging**
Save time in unpacking and refilling shoe covers.
- ▶ **Easier dispose, less waste and fewer material recycling streams**
Removed 20 rubber bands per bag / 200 rubber bands per carton. Reduced direct contact with natural rubber and reduced the risk of latex allergy.
- ▶ **Easy-Open vacuum bag with opening indicators**
Enable efficient opening without the use of sharp tools.
