

Moisturizing evercare® lip balm

Cold weather, sun, dry indoor air or wind can easily cause scaly, rough and chapped lips as a result of dehydration. Lip balm containing oils and other protecting components keep lips soft, smooth and healthy because of the moisture contained in the ingredients.

evercare® lip balm is made of vegetable oils. One of its ingredients is *Aloe Vera* that protects and moisturizes lips in all seasons. **evercare® lip balm** is free from parabens, silicone, mineral oils and perfume.
