

Smith and Nephew, Inc. Advanced Wound Management 4900 West Vickery Boulevard Fort Worth, TX 76107 USA

Safety Statement

This generic Safety Statement is provided for products which are not classified as hazardous in accordance with OSHA Hazard Communication Standard 29 CFR 1910.1200 and European Regulation (EC) No. 1272/2008 on Classification, Labelling and Packaging of substances and mixtures and Regulation (EC) No. 1907/2006 (REACH), amended by 2015/830/EU.

It is classified as a product where a Safety Data Sheet (SDS) is not legally required, however, this document is provided to support any documentation requirement.

Despite the GHS Hazard Classification being non-hazardous it is important to carefully review the product information, leaflets and labelling to ensure the product is used correctly and correct storage, handling, transport and disposal is adhered to. Good working practices must be employed to ensure product is not released to the environment.
